SURPRISES VISITORS WITH ITS VERSATILITY

Charming Uusikaupunki

Over 400 years old, the beautiful seaside town of Uusikaupunki has a southern European feel to it. The town offers unique experiences all year with its beautiful old wooden houses, interesting attractions and events, a wide range of activities, cafés and restaurants with delicious offering, and stunning sea and nature.

WOODEN HOUSE ENTHUSIAST'S DREAM

On the beautiful bayside boulevard, you will find a kind of outdoor museum with story walls and sea-themed texts embedded in the tiles. The beautiful bayside storehouses were used to store salt in the 19th century, but now you can find restaurants with both sweet and savoury treats. The town centre offers many kinds of interesting shops, including the Uki Outlet shop open during the summer.

The Empire-style wooden house district is one of the largest and best preserved in the country. During the summer, you can join a walking tour to peek into some of the beautiful gardens. There are also guided walking tours (in Finnish) with different themes: The Treaty of Nystad, Stories by the Bay, Seven Great Fires, Sanni Winter, and Myllymäki. Rake Tähtinen, the author of the Petäjämäki detective novels set in Uusikaupunki, also offers guided tours into the world of his books.

FUNNY PLACES AND NICE EVENTS

Art House Pilvilinna with its art trail and rose garden is a wonderful experience. Wahlberg's museum house provides a glimpse into the life of a merchant family during the golden age of the town's seafaring history. Maritime history is also exhibited in the Naval Pilot Museum and the Sailor's Home Museum. The

Automobile Museum has three large exhibition halls with plenty to see for car fans of all ages. The Bonk Museum exhibits a range of out-of-this-world inventions and defunctioned machines. In the children's Innovatorium workshop, younger visitors can design their own Bonk devices.

The Minifarm & Flower Fair event for the whole family is held this year on 20–21 May. The evening market events at the Pakkahuone guest harbour and the Tul toril themed market events at the market square are a must see for any visitor. This year's new addition are the Activity Thursdays held in the town centre. Myllymuori's children's adventure trips in July go out looking for the King's Treasure. The gripping audio tale "Haunting in the smock mill" can be heard on Myllymäki on 3–9 July.

Finnish top artists will be performing at Karjurock on 21–22 July. The theme for the Crusell Music Festival on 22–29 July is Dreams of Tomorrow, and the festival is organised in co-operation with WWF and the Finnish Climate Change Panel. Wooden boats and vintage vehicles are on show at Pakkahuone and Möljä on 12 August. During the winter season, you can enjoy performances at the Uusikaupunki Theatre and various summer theatres (mostly in Finnish). For more events and tips, see visituusikaupunki.fi

You can read more about sea and natural attractions and various activities on offer from sections Sea and nature and Relax and refresh.

On the next page, you can find the TOP 3 lists of the best things about Uusikaupunki written by someone who has moved here as well as someone who was born here.

Uusikaupunki stole the heart of a holidaymaker

Johanna Ilmoniemi is a new resident in Uusikaupunki. "I first came here for a visit with a friend of mine who was born here. The town immediately stole my heart. Ever since then I've spent a night or two at Hotel Aittaranta every summer. Finally I could no longer resist the call of Uusikaupunki, and I moved here last autumn", Johanna explains.

"I've lived in a lot of places. I was born in Central Finland, and I always like to be near water and forests. There's so much to see in Uusikaupunki and a new kind of energy", Johanna says.

1. I'm inspired by the artistic spirit of Uusikaupunki. Although I'm not an artist myself, except perhaps in my soul, it feels like anything is possible here. There's a lot of colour around, especially at Art House Pilvilinna.

2. I love roaming around parks, recreational areas and nature trails with my dog. There's a lot of history and mystery in nature. We've already visited the nature trails of Pamprinniemi, Hiu and Kasarminlahti as well as the lakeside trail around Käätyjärvi. Now we're getting acquainted with the winter here on the western coast. I also make videos of my trips for my YouTube channel "Soul of Jo".

3. I love live music, events and fairs! Uusikaupunki also has a lot to offer on this front. Captain's Makasiini offers some really great vegetarian food. You can enjoy live music on the terrace and even bring your dog along. I also love the singalong events in Gasthaus Pooki's garden. I was positively surprised by the wide and inventive range of the Christmas Fair. My mother and I even decided to sell some of our own crafts there.

"Uusikaupunki offers a great balance of peace, nature, culture, events and arts", Johanna concludes.

Professional entertainer enjoys Uusikaupunki

Lauri Ketonen is familiar to many as an actor, singer and director. Lauri became interested in theatre in his youth at the Uusikaupunki Theatre and, after completing upper secondary school, he enrolled at Theatre Academy Helsinki. Lauri has been involved with theatre for more than 30 years and entertained people at sea for over 10 years. Lauri has visited Uusikaupunki for various musical events and concerts, and he has directed amateur actors at both the Uusikaupunki Theatre and at Pyhämaa.

1. "The restaurants of Uusikaupunki serve excellent food with lots of variety. Gasthaus Pooki is especially close to my heart as I worked there in the summer when I was young. It is a legendary stone building with a lush inner courtyard, an archipelago buffet, a woodshed for dancing and beer and wine houses that make up a charming restaurant environment. The storehouse restaurants and terraces of Kaupunginlahti are beautiful places where people can enjoy both winter and summer. There is a wide variety of high-quality alternatives and completely new concepts," says Lauri with delight.

2. "The freshwater basin and its surroundings form a beautiful area. People can gaze at the islands and the beaches of summer cottages on a boat ride through the lock gates. You can marvel at the shoreline of the basin, which was dammed in the 1960s, and the sea on the other side of the road if you want to drive around. Cyclists can enjoy their meals in a barbecue shelter. My favourite swimming beach is the rocky Karhuluoto beach."

3. "The Isokari lighthouse island is breathtakingly beautiful and very dear to me. My grandfather was a lighthouse keeper on the island and our family has a summer residence there. From Uusikaupunki, you can get a taste of the outer archipelago even during a day trip. Guided tours offer insight into the lighthouse and the history, vegetation, and birds of the island. The most important scenery to me is 'beyond the land', in the middle of a rugged rocky landscape, admiring the ever-changing sea. When it is dark, I recommend staring at the starlit sky while the light from the lighthouse scans the landscape."

EXPERIENCE THE GOLDEN AGE OF SEAFARING AND THE LUXURY OF A MERCHANT'S HOUSE

Wahlberg's house

Wahlberg's house is part of the Uusikaupunki Museum. The museum showcases the golden age of the town's seafaring history and the life of a middle-class family.

Wahlberg's house was built more than 150 years ago by the founder of a local tobacco factory, **Fredrik Wahlberg**. The house still has its original decorative tile stoves, skilfully made frescoes, and hand-painted wallpapers in the parlour. The big hall also has a chandelier brought from Italy. In the downstairs rooms, you can almost smell the smoke from pipe tobacco and hear the rustle of the ladies' silk dresses. The downstairs exhibition space hosts a series of temporary exhibitions.

Upstairs, the museum houses a collection celebrating the maritime tradition of the town. Seaman's chests, souvenirs, paintings, and navigational instruments all have their stories to tell of the golden age of seafaring and shipbuilding. The upstairs exhibition also showcases the more recent history of shipbuilding, shipyards, and the local automobile industry.

Children are also welcome at Wahlberg's house. They can play detectives in the museum and do different tasks related to the exhibition. The outbuilding contains a cobbler's workshop as well as a play area for children. The Wahlberg's house museum shop has some of the best souvenirs and gifts in town.

EXPERIENCE THE MARITIME HISTORY OF UUSIKAUPUNKI IN THE SUMMER MUSEUMS

The Sailor's Home Museum and the Naval Pilot Museum

To balance off the luxury of the tobacco merchant's house, visit the Sailor's Home Museum on the western edge of Myllymäki, where you can imagine what the life of an ordinary sailor's family was like in the early 20th century Uusikaupunki. The museum building is one of the oldest remaining residential buildings in town, and it was probably built in the late 18th century.

The Uusikaupunki pilot station used to be located on the Vallimäki hillside, where you can enjoy a great view of the sea. Pilots were tasked with making sure ships were able to reach and leave the harbour safely. The pilot station, which was built in 1857, is now a museum where you can learn more about this dangerous profession that was often passed down from father to son.

DREAMS OF TOMORROW

Crusell Music Festival

22–29 July

The historic surroundings of Uusikaupunki will be filled with woodwind music about dreams and nature.

This year's Crusell Music Festival is an homage to the beautiful nature on our wonderful planet! We will explore the different ecosystems on Earth through woodwind music. There are themed concerts for the sea, the arctic, and the exotic Amazon, all of which are irreplaceable for humanity. They are also the most vulnerable ecosystems when it comes to human impact, including climate change.

The theme for Crusell Music Festival 2023 is "Dreams of Tomorrow". In addition to natural themes, the festival will include pieces related to dreaming and dreams. In this context, dreaming is related to our faith in the future – our dream of preserving the planet for future generations! Growing awareness, technological innovations and concrete action brings us hope for a better tomorrow. The Crusell Music Festival wants to be part of this positive development! This year's festival is organised in

co-operation with WWF and the Finnish Climate Change Panel. They will be providing information on these important topics throughout the week, and you can make donations to them during the concerts. Dreams and action will take us forward!

The festival will once again be filled with top artists, such as the Emma Award winning Kamus Quartet, the winner of the International Crusell Competition clarinetist **Jonathan Leibovitz**, flautist **Christina Fassbender**, oboist **Juri Vallentin**, and bassoonist **Mor Biron**. The main concert at the New Church is starred by internationally famed bass-baritone **Nicholaus Söderlund**. **Timo Lassy** jazz trio entertains in the jazz night, and **children's music orchestra Loiskis** provides a fun experience for the whole family in their movie concert "Eläimellistä menoa". The traditional Night of the Lanterns is a picnic event with great music on the Vallimäki hillside.

The artistic director of the festival is clarinetist **Olli Leppäniemi**.

CRUSELL-MUSIC FESTIVAL 2023

The program and tickets are available from March 2023.

Tickets to the festival are available at www.lippu.fi offices across the country, and at the Uusikaupunki Tourist Information Office, Rauhankatu 10.

The festival program is available at www.crusell.fi

The Crusell Music Festival is named after Bernhard Henrik Crusell, the internationally acclaimed clarinetist and composer who was born in Uusikaupunki. The unique festival specialises in woodwind music. The concerts range from classical music to jazz, folk music and children's music with top artists from both Finland and abroad. The festival also organises masterclasses to woodwind students who flock to the charming town for the week.

JOIN MYLLYMUORI AND MYLLYTONTTU ON A TREASURE HUNT

Myllytonttu and the King's Treasure

Myllytonttu has heard that King Gustavus Adolphus, the founder of Uusikaupunki, has lost a precious jewel from his finest crown.

Members of the royal court have been searching for this treasure from inside and outside the castle for many days and nights with no luck. The king cannot sleep because of this, and he has summoned the best experts in the kingdom. Could Myllytonttu solve the riddle?

Myllytonttu loves the sauna. While bathing inside his mill a great idea comes to him! As it happens, he is friends with the Sandman and has some detective skills besides. Surely he can solve this royal conundrum. In addition to Sandman's assistance, he will need a flashlight, a map and a notebook. He comes up with a foolproof plan in the sauna.

The fun new adventure trip is filled with activities, stories, music and play. On the trip, the children will walk around the attractions of the Uusikaupunki town centre in the merry company of Myllytonttu and Myllymuori.

The adventures are organised in co-operation with Uudenkaupungin Suomalaisen Seuran Säätiö and the Uusikaupunki Tourist Information Office. It is recommended that under school-aged children are accompanied by an adult, and strollers are recommended for small children. The trips are also well suited for kindergarten and school groups.

Mailis and Eino -musical

It's inspired by the sea and old movies. A fascinating piece of stage art, a different and rare performance, which is made out of love for the hometown.

Eino Saari, lieutenant of the Pori regiment from Turku, met **Mailis Hellsten**, a Lotta-girl, during military training in Uusikaupunki. So began the love story and a passionate correspondence. Sweethearts don't write much about the war. They write more about everyday life, dreams and longing. In addition, Mailis's father, the humorous sea captain **Eskil Hellsten**, tells a story about the smuggling of booze. Music composed by **Glenn Miller**, **Cole Porter**, **Sam Sihvo** and **Pentti Viherluoto** will entertain your theatre evening. Written by **Ulla-Maija Paalu**, script and director **Mikko Rantanen**.

THERE ARE PLENTY OF GOOD REASONS TO VISIT PYHÄMAA

**Come and fall in love
with Pyhämaa! **

Pyhämaa

The seaside village of Pyhämaa has a lot to offer; in addition to beautiful natural surroundings, which you can experience, for example, on the Liesluoto and Pamprinniemi nature trails, there are plenty of events and activities that bring together locals and visitors alike, including a frisbee golf track and outdoor gym, volleyball courts, and kayak rental. There is plenty to see and do during the summer. The most popular sight in the village is the Pyhämaa Old Church ("Uhrirkirkko"), which is both a spiritual and an aesthetic experience. The museum storehouses in Telakanranta showcase the history of fishing and seafaring in the region.

Pyhämaa is also an excellent destination for a cycling trip, as the islands are now connected by bridges. Stop for a swim – in either the sea or in fresh water – and a barbecue on one of the three beaches, or just sit down and admire the views. Don't forget to

bring your camera!

The local school, which is over 130 years old, is the pride and joy of Pyhämaa, and local associations support the school in educating the children in a communal environment. The communality is what brings many families to Pyhämaa.

Why not drop out of the rat race yourself and choose a relaxing and natural way of living? Here we have helpful neighbours and

plenty of communal spirit.

Welcome to Pyhämaa – we welcome both new residents and travellers with a smile!

Other interesting places

TOWN CENTRE AND WOODEN HOUSE DISTRICT

According to the Finnish Heritage Agency, Uusikaupunki is one of the best-preserved Empire style wooden towns in Finland. An extensive wooden house district built in a grid layout in the centre of Uusikaupunki and dating from the late 19th century has been well preserved.

The town has been damaged by several extensive fires, the latest of which were in 1846 and 1855. Most of the current town centre was built after this. The modern town plan was designed by architect Georg Theodor Chiewitz in 1855. The town centre has more than 40 blocks containing around 600 old wooden houses. Uudenkaupungin Vanhat Talot ry organises every second year the Old Houses of Uusikaupunki event (next time in the year 2024) that allows visitors access to some of the houses and gardens.

KAUPUNGINLAHTI BAYSIDE AND STORY BOARDS

The sea reaches the city centre in the form of Kaupunginlahti Bay. Its shores are popular among locals and tourists alike in the summer. The maritime phrases and names of ships on the seafront promenade are related to the maritime history of the city. The names of the piers represent the routes of former merchant ships: Stockholm, Copenhagen, and London. Story walls presents these three cities.

Around the vicinity of the Kaupunginlahti Bay you can also find 10 information boards with photos and delightful stories of life in the old days.

LAKES IN THE SEASIDE TOWN

There are two lakes near the town centre: Käätyjärvi and Ruokolanjärvi. The Ruokolax fishing park for the whole family is located in Ruokolanjärvi. For more information, see Fishing in the section Sea and Nature.

MYLLYMÄKI WINDMILL PARK

The hill is home to four historic windmills, many flowerbeds, steps, millstones and a children's playground. The northern side has an arboretum where different tree species are marked with signs. There is also an old water tower on the hill that functions as an observation tower, but unfortunately there is no longer a possibility to get up to the tower. The tower is 50 m from sea level.

OLD MÄNNÄINEN IRONWORKS

Männäistenkoskentie, Kalanti. At the old Mäninäinen ironworks, you can experience the history of iron refining in the 18th and 19th centuries. The Mäninäinen ironworks area has some well-preserved production buildings, such as the unusually large coal house and the grey stone chalk house. The ironworks today looks very similar to when its operation ended in early 19th century. The area and the buildings are privately owned, but you can view some of them from the outside.

GRAVEYARDS

By the Old Church there are soldiers' graves and some ancient graves. The city's actual graveyard is at the junction of Autotehtaankatu and Kalannintie. There are graves in the graveyard dating from 1849. There is an old graveyard by Lokalahti Church and a new one by Palomäentie. The Pyhämaa graveyard is located by the Pyhämaa Church, and Kalanti Church is also surrounded by a local graveyard.

PYHÄMAA CULTURE STAIRS

Telakanranta in Pyhämaa, Pyhämaanranta 37. The stairs lead from Telakanranta to the old mill. They are 38 metres in length and contain 62 steps. The stairs were built by volunteers with funding from the Ravakka association. The culture stairs are part of the culture trail in the Pyhämaa centre. Pyhämaan Kotiseutuyhdistys association has collaborated with the Uusikaupunki Museum to create a mobile version of the new culture trail. On the upper landing of the stairs, you can see an old photo to compare how the landscape has changed over the decades. The stairs can also be used for running.

RADANSUU WATERMILL

The old Radansuu watermill is located at the border between Pyhäanta and Uusikaupunki, at Radansuuntie 178. The watermill was built in early 19th century and is still fully operational. Reportedly there has been a mill in the same location already in the 16th century. The watermill was originally operated by a paddle wheel, but it was later changed into a turbine-powered mill. The watermill is currently in private ownership.

LENTÄVÄ LOKKI TRANSFORMS INTO A BUTTERFLY DURING SUMMER 2023

Liian paksu perhoseksi

A comedy drama (in Finnish) on human nature, strength, and a bit of love.

The play is based on the popular and award-winning classic novel by Sisko Istanmäki, which tells the love story of two people who are bullied. The play tells the funny but heartbreaking story of Kaisu, who is having trouble adjusting to life amid her cliquey merchant family and a village full of eccentrics.

Nobody is perfect in this story, and plenty of mistakes are made. At the heart of it all is forgiveness and finding happiness in the mundane. We all have our own lives to live. In our own ways. Spreading our own wings.

THE GRIPPING AUDIO TALE IN MYLLYMÄKI WINDMILL PARK

Haunting in the smock mill on July 3-9, 2023

Once upon a time there was a sleepy miller. He played violin in the bowels of the windmill, hoping that the melodies would give the mill mysterious powers to make the flour particularly fine. Once in a hundred years, melodies of the magical violin awakens the smock mill to life and now we get to hear the thrilling sounds of the past in the shadows of the windmill.

The fictional audio tale is writ-

ten inspired by the history of the smock mill and ancient stories. It is suitable for children and the likeminded. The edge of the mill is decorated with fairy tale drawings and the entire story can also be read from the mill's story board in either Finnish or English.

Story and implementation:
Mikko Rantanen.
Graphics: Petri Aulin.
Free admission.

Be charmed by the sea – be inspired by nature

Uusikaupunki is an old seaside town, and you can learn about its seafaring history in various museums and exhibitions. The seaside atmosphere is apparent on the cozy bayside boulevard right at the heart of the town.

Uusikaupunki is surrounded by a beautiful archipelago full of stunning natural scenery, idyllic islands, and the clear waters of the Bothnian Sea National Park. If you are arriving by boat, you can enjoy the services of the Pakkahuone guest harbour, which has been nominated the best in Finland. There is also a guest harbour at the idyllic Telakanranta in Pyhämaa as well as several piers and berths for visitors around the archipelago, such as the Yacht Club pavilion on Pietarinkari and the Uudenkaupungin Työväen Moottoriveneseura boat club's visitors' berth at Haanperänkari.

You can easily experience the wonders of the archipelago even without a boat of your own. On the M/S Kerttu you can sail to the Isokari lighthouse island or join a seal safari that will take you far out to sea. Kerttu also organises cruises to the beautiful Katanpää fort island. On Kerttu's guided sightseeing cruises, you can hear stories about the seaside town.

After boating, why not try some fishing or swimming. There are 11 public beaches in Uusikaupunki. Some

of them are seaside beaches and some are lakeside beaches. Uusikaupunki is also a popular spot for fishing contests. The Street Fishing contest, where contestants fight for the title of Katukalastaja 2023 (street fisher) will be organised in the town centre for the third time on 26 July.

The Velhovesi ring route is a route of bridges across the islands that lets you enjoy the beautiful archipelago without having to bother about boats or ferry timetables. You can cycle around the route and stop to enjoy the beautiful archipelago whenever you feel like it. You can also drive around the 50-kilometre route by car, admiring the sea views as you go. Another great location for enjoying the sea and nature is the Pamprinniemi nature trail in Pyhämaa. Hiunjärvi is a lake near the town centre that is a popular spot for birdwatching. There is also a nature trail around the lake.

Restaurant Odine will once again open its doors for the summer on Haidus island for sailors to enjoy. The restaurant was named after the gaff-rigged schooner Odine whose wreck is visible near the Vähä-Haidus island.

A MEETING PLACE FOR PEOPLE OF ALL AGES BY THE BAY

Pakkahuone guest harbour

Pakkahuone guest harbour in Uusikaupunki has been the favourite stop of many boaters for a long time. It has been voted the best guest harbour in Finland three different times as well as awarded several other commendations, and no wonder.

On the north bank of the idyllic Kaupunginlahti bay is the Pakkahuone café with its famous freshly baked sweet and savoury pastries. The most famous of them all is the delicious doughnut that people come for from a distance! Our terrace is licenced to serve alcohol, and we also serve our renowned pizzas and other delicious dishes.

The guest harbour is open from April to the beginning of October, and there are moorings for 70–80 boats. The harbour fee includes mooring, use of the great sauna facilities, showers, washrooms and toilets as well as water and waste management. Other services include laundry facilities and bike rental.

From late June to early August, the Pakkahuone guest harbour organises fun events on Wednesdays and Fridays. On the traditional evening market held on Wednesdays, the bayside is filled with market stalls, and there is live music at the guest harbour. A new addition this summer are the Bingo Fridays and After Work artists on the terrace. Children can enjoy a bouncy castle during events.

The Pakkahuone boutique is a real window into the offerings of the town. You will find fresh vegetables from local producers and interesting local entrepreneurs with their wares.

Come and enjoy a bit of shopping!

A LIGHTHOUSE ISLAND IN A MARINE NATIONAL PARK

Isokari

The Isokari lighthouse island is the most beautiful attraction of the southern part of the Bothnian Sea.

Isokari offers visitors a range of services in the peaceful archipelago. The tallest lighthouse in the Gulf of Bothnia is surrounded by exquisitely beautiful nature. The Isokari island is part of the Bothnian Sea National Park.

The lighthouse itself is from the era of the Russian Empire, from 1833. You can visit the still operational lighthouse on one of the guided tours, which are held daily during the summer.

The 186-hectare island has plenty

of other interesting sights in addition to the lighthouse. You can take a stroll along a nature trail, spot rare plants and birds, pet the sheep, and marvel at the beauty of the endless horizon. The morning activities of the island's native black guillemots are a wonderful sight – you can enjoy watching them by spending the night at Isokari!

The island has great services for travellers, including a hotel, restaurant, and guest harbour. Cruises to the island are organised from early spring to late autumn, and many people also like to visit the island by their own boat. The summer hotel is located right

by the beautiful lighthouse. The small hotel only has six flats, so make your booking already in the spring! During high summer, you can travel to the island from Uusikaupunki on M/S Kerttu, and from Kustavi on M/S Merelle. During spring and autumn, there are different kinds of themed packages available.

Isokari offers a beautiful setting for meetings and business functions, and the island is a perfect place to organise your birthday or perhaps an engagement party.

CYCLING OR DRIVING BY CAR IN THE ARCHIPELAGO

Velhovesi ring route

Experience some of the most beautiful archipelago without having to bother about boats or ferry timetables. Barrel through the whole 50 km in one go or take your time enjoying the beautiful archipelago.

The Velhovesi ring route takes you through the northern parts of the Uusikaupunki archipelago, around the freshwater basin. The route is about 50 km long. There are side roads leading to the Lepäistentie and Lyökintie turnarounds, to the Pyhämaa village centre, the tip of the Pitkäluoto spit, and the Männäinen ironworks. The main route is signposted clockwise. The main route is marked with orange circles and the side roads with green circles. The directions are marked with arrows.

You can travel along the route, for example, with an e-bike that you can rent from the Tourist Information Office or from Santtioranta Camping. Along the route are villages where you can stay overnight, beaches where you can stop for a swim, scenic points where you can take a breather, and village shops where you can browse. There are also cafés and restaurants along the route. All scenic points, rest stops, beaches, attractions, and services are marked on the map brochure and the website.

You can also rent canoes from the camping site. At Telakanranta in Pyhämaa, there are 8 different kinds of kayaks available for rent. You can choose different routes

from the sheltered freshwater basin to the stunning Sea of Bothnia. The kayak routes have easy passage between sea routes and inland waters.

Learn about centuries old stories along the Velhovesi ring route. Story points are marked in the brochure and the website as well as on signposts along the route. The signposts for the main route are orange and those for the side roads are green. The plaques contain QR codes that you can scan with your mobile phone. By scanning the QR code, you can read the story directly from your phone. You can therefore read the stories either from the brochure or from your phone.

Ring route brochures are available at the Tourist Information Office.

Fishing

FISHING LICENCES

Angling and ice fishing is permitted in the City of Uusikaupunki waters free of charge.
For lure fishing with one rod, you will need to pay the state fisheries management fee. For snare fishing and lure fishing with more than one rod, you will need to pay the state fisheries management fee as well as have permission from the owner of the water area.

For net fishing, you will also need to purchase a marker, **price EUR 6/net/year**.

For other fishing (long line, hook, trap), a **personal fishing licence** needs to be purchased, **EUR 6/year**. For reel fishing whitefish the price is EUR 6/rod/year.

Nets and other fixed snares must be marked in accordance with the Fishing Act. Fishing markers should always be equipped with the user's name and contact information as well as indication of fishing licence.

Fishing licences of City of Uusikaupunki can be purchased from the Service Point Passari, Rauhankatu 10, where you will also find a map of the city's fishing waters.

STATE FISHERIES MANAGEMENT FEE

People between 18 and 64 years of age are required to pay the fisheries management fee. The fee does not apply to ice-fishing, worm fishing or fishing with a herring rig. People who have paid the fishing management fee can fish with one rod anywhere in the country in areas where a regional licence was previously required. Other fishers will need to pay the fishing management fee as well as have permission from the owner of the water area. This applies to e.g. snare fishing and lure fishing with more than one rod.

Fisheries management fee in 2023: 47 €/year, 16 €/7 days and 6 €/day.

The fisheries management fee can be purchased online, by mobile app, by phone, or at the service desk. According to new legislation, everyone who has paid the fishing management fee will be registered in the fishing management fee register. The registration requires your name, contact information, and date of birth. This information will be used in the management of fishing waters and fish populations. Due to this registration process, it is no longer possible to pay the fee via bank transfer.

1. Eräluvut online shop

Log into the online shop at www.eräluvut.fi, register and purchase the fisheries management fee. The receipt can be printed out or saved on e.g. a mobile device.

2. Eräluvut mobile app

3. Service number +358 20 69 2424

(weekdays 9am–3pm)

Call the service number and register. You will receive an invoice by mail. Keep the receipt for your payment.

4. Service desk

You should always have the receipt with you while fishing.

The fisheries management fee applies to fishing anywhere in Finland, excluding Åland.

MANY POSSIBILITIES FOR SPORTS AND RECREATION

Feel refreshed in Uusikaupunki

Uusikaupunki offers many possibilities for sports and recreation for lone travellers, couples, families, and even larger groups.

There is something for everyone, whether you are looking for sports, adventure, or relaxation – no matter your age or condition. Most sports and recreation venues are located close to the town centre. There are also plenty of services available in the active village centres.

You will find a public swimming pool, an ice rink, an athletics field, gyms, and fitness centres. There is a wide range of activities on offer, including horse riding, bowling, kayaking, fishing, scuba diving, and swimming. The local 18-hole golf course has one of the longest seasons in Finland. The Vahterusring ski tunnel always has perfect conditions for skiing, running, cycling, and roller-skating. The ski tunnel is also home to a golf simulator. The City of Uusikaupunki maintains ski tracks on local jogging paths during the winter, weather conditions permitting.

If you are interested in frisbee golf, you will find several courses in the area. Last summer, a new 18-lane course was constructed in Sorvako, near the town centre, and there are also frisbee golf courses in Kalanti, Lokalahti, and Pyhämaa. In Kalanti, you can

find a 21-lane, competition level frisbee golf course. There is also a practice area and a 200-metre driving range.

The new competition-level padel courts by the Kaupunginlahti bay provide an excellent opportunity to try out this popular game. There are beginner's courses available for new players and playing equipment for hire.

At the head of the Kaupunginlahti bay, there is a skate park, where the whole family can enjoy a day of skateboarding, scooting, or biking, surrounded by great views. Next to the skate park are the popular Lions park playground and an activity park for senior citizens.

For the outdoorsy, there are various nature trails and jogging paths, mountain biking trails, lean-tos, and barbeque shelters. Along the Sorvako jogging path, you can enjoy the sea view and use the popular workout stairs. The new 62-step 'culture stairs' at Telakanranta in Pyhämaa are also an excellent spot for a workout.

After a day of sports, why not relax in a sauna. There are several rental saunas in and near Uusikaupunki. There are also some public saunas available.

LONG PLAYING SEASON AND GREAT LOCATION

Uusikaupunki Golf Club

The Uusikaupunki golf course offers just the right amount of challenge for players of all levels.

The Uusikaupunki golf course is centrally located, only a kilometre away from the guest harbour and other services of the town centre. The 18-hole course is known for its versatility. You will find fairways in park as well as forest areas, and the terrain is varying. There are

also several ponds and an inlet to create more excitement. Check out the Pro Shop to find the best equipment for your game. After the round you can enjoy the quality menu of our restaurant or pop into the sauna to relax.

Thanks to the vicinity of the sea, the golf course boasts one of the longest playing seasons in Finland, usually from April to November. We also organise beginner courses. Welcome!

A SEASIDE SKATE PARK FOR THE WHOLE FAMILY RIGHT IN THE HEART OF THE TOWN

Skate Park and pumptrack

The skate park is in a beautiful setting at the head of the Kaupunginlahti bay, near the sea and the town centre.

The skate park is 300 square metres, and the pumptrack is around 1,000 square metres. The pumptrack has an asphalt surface with various curves and elevations shaped according to the terrain. There are also some mounds that can be used for jumps. Part of

the track is shaded by some cosy trees. Part of the skate park has an asphalt surface, which is good for beginners, but there is also a concrete part that is a suitable practice space for the more serious athletes.

The combination of a skate park and pumptrack allows people to train together, whether they are using a skateboard, scooter, or bike. There are crisscrossing

paths across the different areas to increase the number of optional routes. Next to the skate park are the popular Lions Park playground and an activity park for senior citizens.

PEACE OF NATURE, ACTIVITIES, AND SERVICE WITH A SMILE

Santtioranta Camping

Santtioranta Camping welcomes you to the seaside town of Uusikaupunki.

Santtioranta Camping is easy to reach, and it is located only just over a kilometre away from the Uusikaupunki market square. The distance from Turku is around 70 km and from Rauma around 50 km. We always serve our customers with a smile, and we have the nearest child-friendly beach to the town centre.

Santtioranta has seven cottages with a lovely view of the sea. There are also spacious spots available for those with mobile homes, caravans, or tents. Our cosy café-restaurant serves customers every day during the opening hours of the reception, offering both café

treats and restaurant meals. The services and activities of Santtioranta, surrounded by the beautiful seaside landscapes, are fun for the whole family. There are plenty of things to do here! You can rent bikes, e-bikes, e-mopeds, scoots and skateboards. If you'd rather head out to sea, we also have rowboats, canoes, kayaks, and SUP-boards for hire.
